## NOTES TO STUDENTS

1. As a general rule, where a clash between a Retake/Special and an Ordinary exam cannot be resolved, the ordinary exam shall take priority.
2. Familiarize yourselves with the groups in which you have been registered and taught in [the Group will also appear on the Examination Card] because in most instances the examination venues have been based on such groups. This is to avoid students being in the wrong venue even though the same examination.
3. Confirm that all the CATs and Assignment marks for all your units have been updated in the AMS by the lecturer to avoid last minute corrections.
